Directors, ASU Speech and Hearing Clinic
FALL 2010

CAUTION: Place this face out in your dash so it is
visible from your front window

The Speech & Hearing Clinic is located on the ASU Tempe campus on the **second floor** of the Lattie F. Coor Hall. Reserved parking is available when scheduled with our office.

You have been assigned parking in Lot 11 which is next to the Lyceum Theatre at ASU. Lot 11 (see the blue square on the map) can be accessed from University Drive via Forest Avenue. Forest is approximately one-eighth of a mile east of Mill Avenue.

Parking in Lot #11:

From University Drive, turn south onto Forest Avenue. Go past the Methodist Church (which will be on your left) and follow the street around to the left. There is a preschool on the right hand side of this street. At the end of the street turn right and follow into a parking lot. Park in one of the spaces marked "Reserved for Speech & Hearing Clinic". These spots are located in the southwest corner of the lot in front of the Lyceum Theater. Please do not park in any of the handicapped spaces. These are controlled by the university and are not available for clinic use. **Also, you must display a completed parking permit on your dash or you will be ticketed or towed.**

To get from the parking lot to the clinic:

The Lattie F. Coor Hall is the 6-story blue glass building located on the corner of 10th Street and Myrtle Avenue.

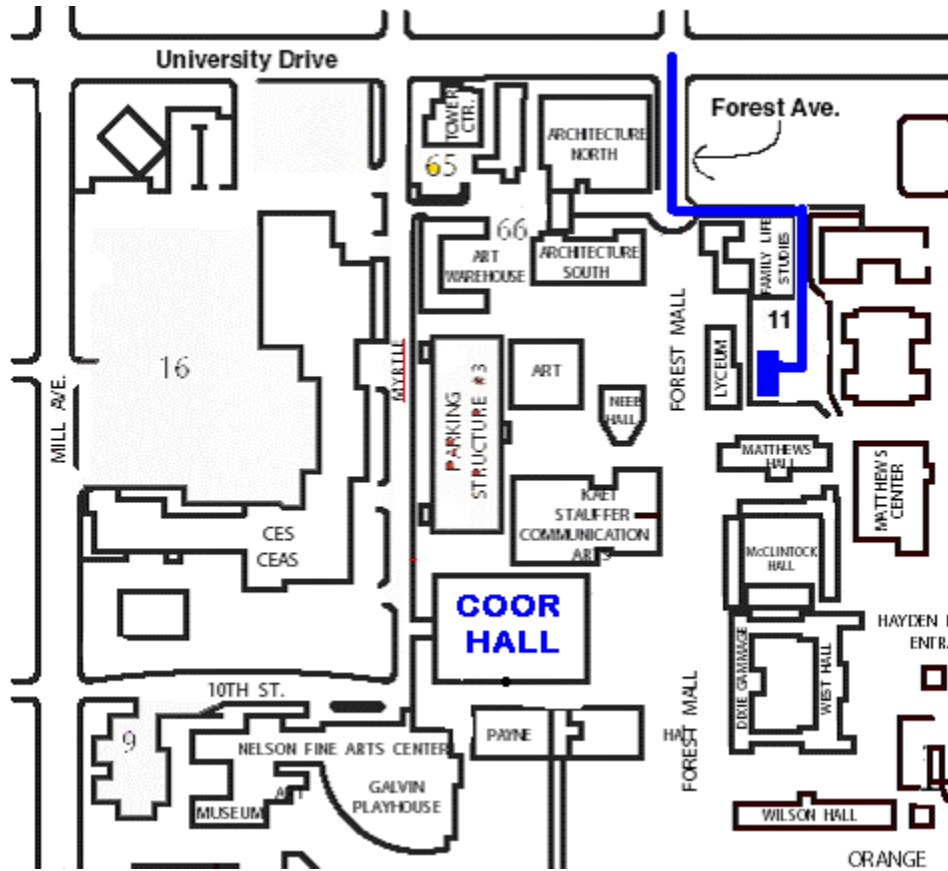

From the parking lot, you will need to go around to the opposite side of the Lyceum Theatre from the parking lot and walk south along Forest Mall.

Coor Hall will be on your right.

The elevator to the clinic is on the northwest corner of the building.

Take the elevator to the 2nd Floor.

Follow the signs to the clinic waiting room.

Call the clinic reception desk at 480-965-2373 if you have any questions or need further directions.

If you would like to get directions to the clinic from an online source such as Mapquest, the physical address for the building is:
975 S. Myrtle Ave, Tempe, AZ 85281
